

Appendix 2 – Draft Template for Directions from Dumfries and Galloway Integration Joint Board

DIRECTION FROM DUMFRIES AND GALLOWAY INTEGRATION JOINT BOARD		
1	Title of direction and Reference Number ?	Development of a Dumfries and Galloway Learning Disability Strategy
2	Date direction issued by Integration Joint Board	27.09.2018
3	Date from which direction takes effect	?.?.2018
4	Direction to:	Dumfries and Galloway Council and NHS Dumfries and Galloway
5	Does this direction supersede, amend or cancel a previous direction – if yes, include the direction title and reference number	This direction supersedes Direction 00022017 – Scoping of Dumfries and Galloway Learning Disability Services
6	Functions covered by direction	All Adult Learning Disability Services provided by the NHS, Council Third and Independent Sector
7	Full text of direction	<p>The development of a partnership strategy which will include working with people who use service, families, carers & service providers to analyse existing services and provide opportunities to co-produce future services across Dumfries and Galloway. This work will be linked to the four strategic outcomes of the Scottish Government’s Learning Disability Strategy “The Keys to Life”.</p> <ul style="list-style-type: none"> ➤ A Healthy Life: People with a Learning Disability enjoy the highest attainable standard of living health and family life. ➤ Choice and Control: People with a Learning Disability are treated with dignity and respect and protected from neglect, exploitation and abuse. ➤ Independence: People with a Learning Disability are able to live independently in the community with equal access to all aspects of society.

		<p>➤ Active Citizenship: people with a Learning Disability are able to participate in all aspects of community and society</p>
8	Budget allocated by Integration Joint Board to carry out the direction	Existing resources for the development of this strategy exercise have been identified within the Mental Health Service Directorate, Strategic Planning and Commissioning and Social Work Services with additional resource to support the appointment of an external chair and to provide administrative support to be provided through Chief Officer.
9	Desired outcomes	<p>Better understanding of the quality and cost effectiveness of existing models in Learning Disability in order to develop, forward plan and deliver on local and national outcomes.</p> <p>Completion of a map of processes, systems, relationships, governance, decision making, culture and management arrangements across health and social services locally, in order to understand what changes are required in order to achieve and deliver defined outcomes over the next five years.</p> <p>Successful implementation of the national and local strategy for individuals with a learning disability, and their families which will be built upon strong, cohesive working relationships across the Partnership.</p> <p>To work with people who use service, families, carers & service providers to analyse existing services and provide opportunities to co-produce future services across Dumfries and Galloway</p>
10	Performance monitoring arrangements	<p>In line with the agreed Performance Management framework of the Dumfries and Galloway Integration Joint Board.</p> <p>Steering Group with independent Chair established to oversee this exercise.</p>
11	Date direction will be reviewed	01 ? 2019
