

Secondary Care Nurse Service:

Jill Maciver01387 244032
Fiona Wilson01387 244359
Pamela Young01387 244389

Secondary-care DSNs are based at the Diabetes Centre in Crichton Hall, Dumfries and see people in nurse-led clinics or as in-patients in Dumfries & Galloway Royal Infirmary. Referrals to the DSN service are from Consultants, Ward Staff and other healthcare professionals.

Services include:

- Various clinics eg. nurse-led, adolescent, ante-natal, insulin pump
- Education – patients and healthcare professionals including students
- Support – patients/carers and secondary care healthcare professionals
- Treatment – insulin & GLP-1 initiation

Community Nurse Service:

Gillian Bell (Annandale & Eskdale)01461 206991
Glenis Clifton (Stewartry & Wigtownshire)01556 505718
Elaine Wylie (Dumfries & Upper Nithsdale).....01387 244669

Community DSNs cover the whole of Dumfries & Galloway and work closely with GPs, Practice Nurses, District Nurses, and many care agencies. They run nurse-led clinics in various locations and visit people at home if house-bound or in care homes. Referrals to the Community DSN service are from Consultants, GPs and other healthcare professionals.

Services include:

- Behaviour change
- Education – patients and healthcare professionals including students
- Support – patients/carers and primary/community care healthcare professionals
- Treatment – insulin initiation
