

Dumfries and Galloway Integration Joint Board

Scheme of Delegation to Committees

Version 1 – 31 May 2015

DRAFT

## **1. General**

1.1 The Standing Orders as adopted by the Board on 17 March 2016, as amended if applicable, shall apply to the meetings of committees.

1.2 The quorum for any meeting of a committee shall be half of its voting members.

1.3 Substitutes are permitted from the membership of the Integration Joint Board, but a voting member may not attend as a substitute for a non-voting member.

1.4 A substitute voting member of the Integration Joint Board may be a committee member.

1.5 Minutes of the committee are to be reported and approved at the next meeting of the committee, or at the next meeting of the Integration Joint Board whichever comes first.

1.6 Approved minutes of committee meetings will also be reported to the Integration Joint Board for noting.

## **2. Committees**

2.1 The Integration Scheme sets out two committees that the Board would delegate authority to – these being a Clinical and Care Governance Committee and the Risk Management Sub Group.

2.2 Given that there is also a statutory requirement for an Audit Committee to be established to ensure compliance with relevant legislation it is proposed that 2 committees are established being:-

- Audit and Risk Management Committee
- Clinical and Care Governance Committee

2.3 The committee remits in the sections that follow reflect what we said we would do in the Integration Scheme for each committee.

2.4 Dependent on the business need for further committees, this Scheme may be amended as required by the Board.
