1.	Introduction
1.1	Dumfries and Galloway Integration Joint Board (IJB) is committed to the accountability of locality health and social care services to communities through their Area Committees. Every 6 months, localities report their progress towards the National Health and Wellbeing Outcomes.
1.2	As a result of the COVID-19 pandemic, there is limited staffing capacity to produce and publish the year's full suite of performance reports. Therefore, in accordance with Scottish Government advice relating to reporting during the pandemic to take a pragmatic approach, these reports are compact and some of the standard information has not been available (noted where applicable).
2.	Recommendations
2.1	The Integration Joint Board is asked to: <ul style="list-style-type: none"> • Note the Locality Report Performance Reports and approve for circulation to the Local Authority Area Committees
3.	Background and Main Report
3.1	Section 42 of the 2014 Public Bodies (Joint Working) (Scotland) Act requires that Performance Reports be prepared by the Partnership.
3.2	In November 2018 the IJB agreed the revised performance framework for the Partnership. This framework requires each locality to report to their respective Area Committee every 6 months.
3.3	This set of reports provides information up to 30 June 2021 (where possible) on performance against a range of indicators. These indicators relate to the commitments contained within the Integration Joint Board's Strategic Plan for Health and Social Care which, in turn, relate to the 9 national health and wellbeing outcomes.
4.	Conclusions
4.1	Each locality is working towards delivering the 9 National Health and Wellbeing Outcomes in ways suitable for that locality. The COVID-19 situation has impacted on how services are delivered, however all localities report making progress against the National Outcomes.
5.	Resource Implications

5.1 There are no resource implications as a result of this report.

6. Impact on Integration Joint Board Outcomes, Priorities and Policy

6.1. The IJB is required to have oversight of operational delivery of delegated services.

7. Legal and Risk Implications

7.1. Regular performance reporting by the Integration Joint Board is a legislative requirement.

8. Consultation

8.1. The content of this report has been shared with the Chief Officer.

9. Equality and Human Rights Impact Assessment
