

Future service provision for Young People with disabilities within Dumfries & Galloway

Please use the survey below to share your opinion and ideas about current and future service provision for Young People with disabilities across Dumfries and Galloway.

In case of any questions, please do not hesitate to contact us at AFC.ConsultationDG@actionforchildren.org.uk (<mailto:AFC.ConsultationDG@actionforchildren.org.uk>).

We also encourage you to take part in Stakeholders meetings that will focus on preparing and evaluating final proposals. These meetings will take place on the 14th of June (Dumfries) and 25th of June (online/Teams). Please use the email address above to contact us in case of interest.

1. If you were to create a list of flexible services to meet the needs of families in Dumfries and Galloway, what would that look like?

2. What type(s) of service would be beneficial for the families across the region?

- After school support
- Evening support
- Overnight stays
- Weekend support
- Community based outreach support
- In-home support
- Residential holiday breaks
- Emergency crisis support
- Peer activity groups
- Holiday activity programmes
- Weekend activity programmes
- Personal assistant
- Out of education support
- Pre-school age support
- Open drop-in sessions

3. What areas within the region would you suggest for these services to be based at?

4. What skills and experience do you think staff would require to support these services?

5. What wide professionals would you like to see involved in these services?

- CAMHS
- Occupational therapists
- Speech and language therapists
- Clinical psychologists
- Physiotherapists
- Community disability nurses
- Continence service
- Health visitors
- Social Care Workers
- Parent Support Groups
- Third sector organisations
- Education

6. What difficulties do you find in accessing services currently available in the region?
