

How do I join the group?

For the purpose of numbers attending it would be appreciated if you could let Claire Drummond (Macmillan Cancer Information & Support Manager) know in advance that you will be attending the meeting/s.

You can also contact her beforehand for more information about the group.

You can contact Claire on 01387 241978 or email claire.drummond2@nhs.scot

Breast Cancer Support Group Meetings for 2023

“It’s about sharing and supporting one another”

“After treatment finished I felt isolated. The group helped me on the next stage of my journey”

“The group gave me the chance to make new friends in a relaxed atmosphere”

This leaflet gives you details of **the Breast cancer Support Group** meetings for 2023.

This group is for people who have or have had a breast cancer diagnosis. It's not necessary to attend every time.

What does the Group offer?

The group offers an opportunity for people who are in a similar situation to share their feelings, experiences, ideas and information.

This gives them the chance to meet regularly, provide support to and learn from one another.

How is the group run?

It is a discussion group facilitated by Claire Drummond – Macmillan Cancer Information & Support Centre Manager. At some of the meetings a guest speaker will present on relevant topics.

Group members are asked to maintain confidentiality within the group and provide a safe and welcoming environment.

Participants are encouraged to undertake a lateral flow test before attending a group meeting and are requested not to attend if this is positive.
